Confirmation of Completion

May 18, 2020

Vincci Man-Hei Tsui,

This letter is to confirm that as of May 15, 2020, you have successfully completed the Web Development Immersive Program at Juno College of Technology. This letter cannot be used as official certification credentials. It is an official acknowledgement of completion and is intended to be a placeholder for your certificate and transcript in the midst of printing and sealing delays due to COVID-19. A physical copy of your certificate and transcript will be presented to you as soon as printing services are safely accessible.

Additionally, this letter confirms you have earned a full scholarship for any future Continuing Education course at Juno. Please refer to the email you received on April 29, 2020 for more information about redeeming this scholarship.

Please feel free to contact me should you have any further questions.

Congratulations and I wish you all the best!

Charlotte Nurse

Director of Programs
Juno College of Technology
